THE WHIPPING POST .- The Sacramento Union hes, for the especial benefit of those misguided and brutal creatures who indulge in the vicious practice of heating their better halves, the following brief provisions of a law lately passed and now in force in California:

An Act to amend section S45 of the Penal Code.

(Section 243. A battery is punchable by fine not exceeding \$1,000, or by imprisonment in the county just not exceeding six months; or, if committed upon the wife of the assailant, it shall be at the discretion of the Court to punish the offender by the indiction of not less than twenty one leabes on the bare back, to be administered by the Sheriff of the county or any Constable of the township.]

One paper says that, since the law went into on, the number of cases of wife besting in San Francisco has decreased from five to one case a

pers seem much mixed about Pariou's marriage One paper deciares that " Parton is the only man in Massachusetts who ever held the position of hushand to his mother in-law." A writer in the New York Tribune expresses his borror of the act by referring to 1 Cor. 5. 1., and then adding, "It may be too much to expect clergymen in these days to repeat Paul's stinging denunciation of the Corinthian Church, for tolerating connections in the same degree of consunguinity as this-'such as is not so much as named among the gentiles,"-but ought not public opinion set its seal of disapproval upon such marriages?" But the Corinthian scandal was of a character entirely different, the man having his father's wife while the father was yet living. Parton married his wife's daughter, and not his father's wile.

ERRINGUAGE SHOCKS - A correspondent writes that two very severe shocks of earthquake occurred at Kau, Hawali, on the 30th of March, about midnight, and again on the 1st of April, sufficiently severe to open doors. In the interval between the two shocks, three inches of rain fell there. The indications are that Pele is getting restless, and as eight years have elapsed since the last great out break of April 1868, we must not be surprised to hearthst she has again shaken and rent the sides of Mauna Los, and commenced sponting forth molten rock. By latest reports, it appears that Vesuvius commenced action again about the same dates as the where the same of a first same piece or train dollar a legal short in the same dates as the same of a first same piece or train dollar a legal short in the same piece or train dollar a legal short in the same dates as the short state of in San Francisco, almost simultaneously. These ed le San Francisco, almost simultaneously. These may be followed by similar phenomena to other volcanic countries, as well as in this.

COULDN'T TELL & LIE -A currespondent writes that he employs a small native boy in his yard to cut up weeds, and recently he found a choice Alligator pear tree, on which he set great store, badly backed and ent. In his wrath be broke a big switch from a tamarind tree, and went for that small boy. When be found him, he angelly asked him if he knew who had been chopping the Alligator pear tree. The youngster trembled, and a tear trickled down his face, but he herolcally replied " New no s old me kan bot tillit." Which is the Hawsiish for "I did it with my little batchet." Our correspondent was about to thrush the self-confessed culprit, when he thought of George Washington, and told the boy be would rather lose ten pear trees than have him tell. s lie. And now he wants to know if we do not think that the boy will probably become a Father of his Country. We should not be surprised if he

THE SOUTHERN RAILEDAD. - Probably few of our readers are aware of the progress now being made with the railroad which is to connect San Diego with the Mississippi via Texes. A late letter says: tionous rail communication between San Francisco Beaut, but without inducing him to any action.

So I new sy this matter before the public, hoping that public officer to do to duty, and the population of this charter to the Pacific ports at Los Angeles, 450 miles further to from the last tennes and dangerous necessity of ers more than one-third the entire line between the great Pacific metropolis and the trans-Missis-Learner, March 20th.—In the House of Legis tosigns, the Earl of Cornervon, Colonial Secretary,
